

# Public consultation on Ontario's Climate Future

**March 19**  
**6-8pm**

**Have your  
say!**

**Kitchener Public Library**  
85 Queen Street North

**Let's fill the  
room!**

Join the discussion and let the Government of Ontario know what you think about the **best path forward** for adapting to climate change in our community and reducing carbon emissions.

**Share your feedback and ideas** to demonstrate that Waterloo Region cares about addressing climate change, and that we have the expertise and commitment to help Ontario be recognized as a world leader in climate change solutions.
